Thank you to all parents who have informed us and given evidence of medical appointments during the school day.

It is so important that we have evidence in order to authorise the absence.

to 1L, 4H and 6P for beating the school target.

This week the children in 6P have been at Into University.

They have been learning about World War 2. On Tuesday they visited the National Army museum. They enjoyed seeing all the WW2 army artefacts.

Another exciting week at SJL with trips and visitors enhancing our learning.

Year 1 have been learning about fruits and making smoothies.

Maybe you can ask them for the recipe ☺️

Safeguarding

We work in partnership with you to keep your children safe at the beginning and end of the day. Please bring your child into the playground to their line if they are in EYFS, years 1, 2, 3 and 4.

If your child is in years 5 or 6 please remind them to come straight to school to their line to meet their teacher.

Year 3 have been learning about the Stone Age. Look at the amazing posters they have created for homework ☺️

Reception children have been reading 'Oliver's Fruit Salad'.

The fruit salad looked so delicious they went the market where they bought fresh fruit to make their own fruit salad.

Every day counts. Every minute counts.

Behaviour in our school

We are very proud of the behaviour at SJL.

We have very high expectations of behaviour and your children enjoy the routines and know the three school rules we have in place.

We have more trips planned to enhance our learning, over the coming months.

In order for a trip to be a success, we must be sure that every child will continue to follow the three school rules when we are off site.

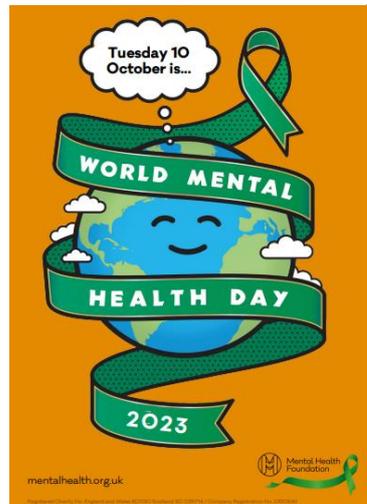

As in our **Behaviour Policy**, which you can read on our website, if a child's behaviour is deemed a risk we will follow our H&S guidance.

World Mental Health Day

On Tuesday 10th March we will be celebrating World Mental Health Day. The theme for 2023, set by the World Foundation of Mental Health, is 'Mental health is a universal human right'.

World Mental Health Day is about raising awareness of mental health and driving positive change for everyone's mental health.

It's also a chance to **talk about mental health**, how we need to look after it, and how important it is to get help if you are struggling.

Brain nibbles..... This weekend you could....

Be creative in the Design Museum in Kensington.

It's free to visit.

Or visit their website for craft ideas to do at home. [Designmuseum.org](https://www.designmuseum.org)

Design your own word search for your family and friends.
