	Year 6 Ball
--	-------------

Friday 21 st	Last day of summer term School closes at 1.30pm No playcentre
-------------------------	---------------------------------------------------------------------

We have had an exciting first week back after half term.

Year 5 Architecture Project

For the last part of our Architect for School project year 5 spent a fantastic day making a model town.

We split into teams and worked on developing housing, apartments, communal areas, work areas and parks. Alex and Ian, two professional architects, worked with us to create some really imaginative designs.

Inspiring young women on and off the football pitch

On Wednesday, 10 girls from years 4 and 5 attended an 'Empowerment' event at Stamford Bridge.

During the morning the girls had a training session with a Chelsea coach and then played a match.

They then participated in an activity workshop where they discussed women who inspired them.

Puzzle time

- Think of a number between 1 and 9
- Add 2 $+$
- Multiply by 2 \times
- Subtract 2 $-$
- Divide by 2 \div
- Subtract the number you first thought of
- What is your final number?

Is your answer the same as your friend who started with a different number?

Online safety

Keeping your child safe when they are using a phone or computer is SO important.

We need to regularly...

- check our PARENTAL CONTROLS on devices,
- talk to our children to ask what they are doing on a device,
- spend time on games, messaging with them to ensure they are not communicating with strangers.

Please contact Pedro if you need support.

Attendance and punctuality

Did you know...

Class	Attendance	Lates
1L	91.1%	15
2P	94.1%	11
3C	92.5%	5
3M	95.8%	19
4C	91.5%	8
5T	89.5%	13
5H	99%	8
6H	89.3%	0
6J	96.9%	4
Total	93.2%	

- Just one day absent from school can hinder your child's learning.
- If your child has poor attendance this can determine whether they are able to read fluently and can also have an impact on their lifelong learning.
- If your child has poor attendance this may have an impact on their ability to make and keep friends – a vital part of growing up.

There are 190 days in a school year for children.

We have a statutory duty to monitor attendance for every child.

It is your duty, as a parent, to bring your child to school every day.
