Thank you to those parents who attended the Parent Consultations this week.

It is always a real pleasure to sit and chat with you.

Thank you also for completing the questionnaires.

We value your thoughts a great deal and will be looking closely at your comments, working with you to make SJL even better!

Huge congratulations to the netball team!

We are so proud of the nine children who played in their first netball tournament at Godolphin and Latymer school on Monday evening.

It's a new game for primary children and there are now only five members on a team. Miss Patterson and Miss Phillips had to learn the new rules before they taught them to the team.

The team did themselves proud and represented the school with great sportsmanship.

Well-done to you all we are VERY proud of you ©

Meet the parent governors

Sharron Alexander and

Rita Brown

Rita and Sharron are the parent governors whose role it is to represent parents at the governor meetings. Their role is not to bring complaints to the meeting. If you have a worry or a concern, please see a member of staff as soon as possible.

They have a unique position on the governing board in that they can share what their children experience each day when they come to school. They work with the governors to support the school and help make positive changes.

If you would like to contact them please email admin@sirjohnlillie.lbhf.sch.uk.
